SPONSORSHIP OPPORTUNITY

Join us in providing a unique social opportunity for Bendigo's vibrant disability community.

What is the Adventure Ball?

The Adventure Ball is the only 18+ event in Bendigo that encourages people with disability to socialise together, catchup with old friends, make new friends, maybe find love, buy a drink at the bar, dance to some great music and have a really fun time.

We have created this special annual event to provide a safe and engaging environment for the Greater Bendigo disability community, their family, carers and advocates.

The Adventure Ball is an all inclusive event held this year at the Bendigo Club, a venue with accessible parking, bathrooms, and accommodation nearby for those that are coming from further away.

The venue has a licenced bar, a dance floor and plenty of tables and chairs for people to put their feet up after a boogie session.

DJ Vinnie will be once again pumping the party tunes and there are plenty of interactive things to do in between dancing sessions, including the ever popular Photo Booth where guests can take home a copy of their printed photos.

The date of our next Adventure Ball is Friday 5 December in conjunction with International Day of People with Disability celebrations, and this years theme is "Beach Party" to align with the start of summer.

It is the biggest night of the 2025 disability community calendar and we would like you to a part of it!

Become a sponsor today and have your company showcased to the community, or Partner with us for further branding opportunities and a greater presence on the night.
