

Adventurebilities

Are you ready for a change of scene?

Are you tired of participating in the same activities day after day?

Rob, Heidi and the team at Adventurebilities like to do things a little differently.

With a program of trips and travels to choose from, let us take you on a great adventure.

Come with us to a festival, a concert, a sporting event, see a theatre show or let's just go to the best pub in the state ... the possibilities are endless.

Based in Bendigo, we have Adult, Young Adult and All Ages programs available.

Check out our upcoming adventures at www.adventurebilities.com.au

or call us on 0480 185 840
and let's chat about your goals.

Do you have a wheelchair?

There is always room for you
on the Adventure Bus!

We are one of the only services
in the Bendigo region that caters
for group participants reliant
on a wheelchair
for mobility.

We are an NDIS
Registered Provider

Adventureabilities is not your average Disability Support Service.

While providing the highest quality care, our mission is to offer the greatest amount of choice and out of the ordinary experiences. Our group programs will take us all over Australia and overseas as demand allows. If you can dream it we can make it happen and ensure that your NDIS plan goals are met.

Some of the services we provide include:

Social and Community Participation

Come with us to have some fun!

Social and Community Participation is the heart of what we do. Let's get out and meet some of your plan goals together. In our small group environment, there are all sorts of things we can do together:

- go to the theatre or a concert
- dance at a festival
- play sport
- swim in the ocean
- go for a bike ride
- take a holiday or go camping
- go shopping and then do a big BBQ cook up
- join a community event

the list is endless.

All group activities at Adventureabilities are based on a 1:3 (carer:participant) ratio. If your needs are 1:4 or higher let's chat.

Calling all sports enthusiasts!!

Being Active is the name of this game. Jump on board the Adventure Bus every Tuesday for some laughs with the gang while we keep ourselves moving with tonnes of fun activities, sports and the occasional road trip.

Let's go swimming!

How good is paddling in the water! We love it and we are going to do it every single week.

Join the Adventure Swim Club every Thursday as we head out to one of our local pools and get all warm and floaty in the water. After lunch we'll head out into the community for a cruisy afternoon activity that will be different every week.

Tools Workshop.

Be creative, learn to use hand tools and become part of a team.

Waggle Wheels is Adventureabilities new weekly workshop where we get on the tools to learn new skills in a fun and engaging small team environment.

Each week we will head out in the bus to source recycled materials from our local op shops, recycled centres and even pick up items that have been donated from the community. We'll then bring them back to the Adventure Shed, pull them apart, clean them up and find fun ways to put them all back together to create the perfect buggy for pets that have mobility issues.

If you are a school leaver then you can use your SLES funding for this workshop and we can assist you to become job ready.
