

Australian Centre for Disability Law

We promote and protect the human and legal rights of people with disability and their supporters through legal advocacy.

You can get free legal advice by calling the Australian Centre for Disability Law on (02) 9370 3135 or 1800 800 708 between 9.30am and 12.30pm on Tuesday, Wednesday and Friday, or view more.

Anyone who has been discriminated in NSW can contact us for advice. If we can't help you, we will always try to refer you to a service that can.

We only provide legal advice to people with all types of disabilities on matters concerning disability discrimination. For more general legal advice, we advise you to contact your local community legal centre.

The advice line is supported by volunteers, law clerks and solicitors supervised by a qualified solicitor. Your details are noted and discussed with the solicitor before we give you the advice. Depending on the nature of your matter and our caseload, we aim to provide you with your legal advice within 10 days.
